

Everyone:

As most of you know, my wife, [Patricia Viola](#), has been missing from our Bogota, NJ home for over 10 1/2 years since Feb. 13, 2001. Over the last few months we have been working with the Producers of "Disappeared" on an episode for Patricia. This one hour, Nationally shown show on Patricia on the Investigation Discovery (ID) Channel will be by far the best opportunity to generate tips and determine what happened that day.

Patricia's episode "Missing Valentine", will be the "Disappeared" Season 4 Premier Show and we are very excited about it since the promos for the 4<sup>th</sup> season will probably use clips from Pat's episode.

**Patricia's episode will air on: Monday, Oct. 24, 2011 at 10 PM EST.**
